Christ-centered gifts and keepsakes, handmade with prayer to inspire everyday faith.

Adrina Murphy

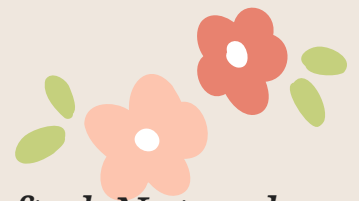

A NOTE FROM THE MAKER

Hi, my name is Adrina. Welcome to the very first collection from **Fruit of the Spirit Gifts**. This little hobby started on my dining table with a desire to create items that bring a bit of peace and purpose into daily life and gifting. Every item listed here was made by hand, prayed over, and crafted to serve as a tangible reminder of God's grace. Thank you for supporting my small business and letting me be a small part of your home.

***Whatever you do, do it all for the glory of God
- 1 Corinthians 10:31.***
